REGISTRATIONS – CLOSING FRIDAY!

We currently have 162 players registered. If you know anyone who is still to register in your team or among your friends, please let them know that we are closing registrations at midnight on Friday 8 September. Our hard working registrar and I will be doing team lists on Saturday 9 September so we also need final requests for teams by then. We will be releasing the teams on Sunday 10 September so look out for an email that day!

HANDOVER NIGHT – THURSDAY 14 SEPTEMBER

We are having our handover night for coaches, assistant coaches, managers and umpires at the City Beach clubrooms at 7:30pm on Thursday 14 September. We have brought this forward a week this year to give you the opportunity to try to fit in a training session before the school holidays.

If you have nominated for one of these roles within your team, please put this in the diary.

PRACTICAL SESSIONS FOR COACHES

Our head coach, Kim Dethfelsen will be running a practical session for coaches on Saturday 16 September at Alderbury from 3pm -4pm. Kim has been coaching for many years and is very happy to pass on some tips and traps for new and fairly new coaches.

In addition to this session, the Wembley Teeball Association is running a clinic for new coaches on Thursday 12 October at Teakwood. We will let you know the time as soon as it is available. The Teeball Association also runs coaches clinics. The club will pick up the cost of either coaches course so the only investment required is your time! The link to the registration page is below.

UMPIRES

The Teeball Association of WA provides training courses for umpires. The link to the relevant part of their website is below. There is a video which explains the rules and positioning of field umpires that will provide useful guidance to those who have never umpired before. We recommend that at least one parent from each team attend a course so that all teams have a registered umpire within their ranks. The club will pick up the cost of the course so the primary investment is your valuable time.

The times and dates of the courses should be released shortly. Stay tuned!

MOUTHGUARDS – SATURDAY 21 OCTOBER

The Wembley Teeball association recommends that all players play with a mouthguard. To help you arrange this, Gob-Smacked Mouthguards will be at the Alderbury on **Saturday 16 September** from 3-4pm (during the coaches session) and on the morning of **Saturday 21 October** at the City Beach club rooms on game day to take moulds and fit mouthguards.

SPONSORSHIP

Thank you to our new club sponsor The Kiosk, Floreat Beach and team sponsors The Kiosk and Monsterella. La Zuchero is also returning as a sponsor this year. Thanks to all our sponsors. I encourage all our members to support these businesses – I am certainly looking forward to sampling their wares over the next few months. Keep an eye on our facebook page for photos!

We would love to hear from anyone interested in sponsoring either a team (\$250) or the club (\$500). As a team sponsor, you will have the naming rights of your child's team. The team's name is published in the fixtures which is distributed to all clubs in the Wembley Association (being Stirling Apache, Woodlands and Balcatta) and the parents of those children playing in the team's division. As a club sponsor, you will be acknowledged as a club sponsor in all our communications and your company's logo (to be provided by you) will be included on our website page, our facebook page as well as in this my regular newsletter.

Please let us know if you would like to be a sponsor by emailing citybeachteeball@hotmail.com.au.
