## ROUND 3

Congratulations to all our teams on a fantastic final round! It is hard to believe that this season is over for 19 of our 23 teams.

Special congratulations go to our U11B team, the Carousel Commandos who finished 1<sup>st</sup> in their division and our U7 team the Cubs who finished equal first. We had a number of teams finish second in their divisions in another strong performance for the Club.

## CONGRATULATIONS BRONZE MEDALLISTS

	<p>While most of us were enjoying the long weekend, 5 of our players and their families spent their time playing (and watching) the Wembley team compete in the U12A division of the State Championships.</p> <p>The boys played incredibly well and the top 3 teams were ultimately separated by percentage only – each winning 4 games and losing 1. The Wembley team finished third and received bronze medals.</p> <p>Congratulations to Aiden, Tom, Tyson, Stefano and Harry (left to right)!</p>

## GRAND FINAL 16 MARCH – COME AND SUPPORT OUR TEAMS!

Last Saturday we had 2 teams play in the U11 semi-finals: the Bombers and the Strikers. I am delighted to say that both teams won and are through to the Grand Final this weekend. The grand final which will be held at Woodlands (Teakwood ovals) at 9:30am on Saturday 16 March. Please come down (in City Beach colours of red and black) and support our grand finalists.

The U13 girls grand final will be played between the Panthers and the Diamonds at 10:30am on Sunday immediately prior to the AGM and fun day. It would be great to have an audience cheering on the girls as some are playing their last ever game of tee-ball.

## AGM, RETURN OF EQUIPMENT, PRESENTATION AND FUN DAY - SUNDAY 17 MARCH

The Club's AGM and fun day will be held on Sunday 17 March. This is also the day when coaches can return their kit bag and reclaim their garage/boot space. All players need to return their uniform (hat, shirt and pants) to their managers. Managers – please collect all the uniforms, check they are clean and repack it into the box you received at the start of the year. The committee will be at the store rooms at Alderbury from about midday for you to return the equipment ahead of the AGM at 12:00 midday.

The formal notice for the AGM has been sent separately. Each team will receive their trophies and photos at the AGM which the coaches and managers will distribute. After this, let the fun day begin!!! The fun day will commence at about 12:30pm and finish at 3:30pm. It should be a fantastic afternoon for the kids (and the kids at heart – I'm looking at you Derrick Sherrin!) to enjoy. Look forward to seeing you there!

## 2018/19 SEASON – WRAP UP AND CALL TO ARMS

First, a big thank you to the coaches and managers of all the teams. Without you, we would not have a teeball club. I know that I speak on behalf of everyone in thanking you for your time and energy in coaching our amazing kids. It is incredible to see how much the children have developed over this season – it is clear that they have all learnt so much.

Second, I extend my gratitude to our umpires – both the parent umpires and our junior umpires. It is not always the easiest of jobs – particularly with passionate and vocal parents both from our club and opposing clubs – but the games could not proceed without you. For all who undertook training courses over the year – thank you.

A final thank you is to your committee for their efforts this year - they have done an amazing job. As previously noted, I will be standing down as President at the conclusion of the AGM. At this stage, we haven't received any nominations for President. Please contact me or any of the committee if you are interested in the role and are happy to nominate.

We would love to see more people involved in the committee – particularly those whose child/children have only just started playing. If you are interested, please let us know and chat to any of the committee members about their experience.

We would love to have your child/children back next season and want to make your child's teeball experience an outstanding one. To do this, we would love to get your feedback on this season (both what we did well and what we can improve) and receive any feedback from coaches and managers. Our current club secretary has started this process which will assist her and the Club in putting together next season's teams. This is particularly useful for the U9 children who will move up to U11 next season.
